Bisque's Chime collection of bathroom radiators now comes in an on-trend Red Gold finish. Made from stainless steel, Chime measures 500mm wide and comes in three different heights, with prices starting from £991. **020 7328 2225 or [bisque.co.uk](http://bisque.co.uk)**

The Edge towel warmer from Bauhaus by Crosswater is practical yet stylish, made from high-grade mild steel in an anthracite finish. It is available in three sizes; the 500 x 1150mm model shown is priced £235. **0345 873 8840 or [crosswater.co.uk](http://crosswater.co.uk)**

The Radiator Company's Tratto comes in white as standard – but a total of 188 RAL colours are available, so you can choose the one just right for your bathroom. Prices range from £2203 to around £4418. **01342 302250 or [theradiatorcompany.co.uk](http://theradiatorcompany.co.uk)**

For a traditional look, Vogue UK's Sequel V in copper fits the bill. Priced £1556, its four hanging rails frame a column inset radiator – which can also be supplied in a customised colourway, at an additional cost. **01902 387000 or [vogueuk.co.uk](http://vogueuk.co.uk)**

With a practical full-length mirror and elegant oval tubing, the Aries radiator from Aestus's Contemporary collection is a great space-saving option. Available in anthracite (as shown) or white, priced £436. **01902 387080 or [aestus.co.uk](http://aestus.co.uk)**
